

ENABLING INSTANT DEPOSITS AND CONVERSION OF USDC

INTEGRATING USDC INTO FV BANK'S INFRASTRUCTURE

- ✓ Receive payments in USD Coin (USDC) directly in your FV Bank account
- ✓ Funds received in USDC will be automatically converted into USD at the moment of deposit
- ✓ Facilitating instant payments for business owners without worrying about wallets, conversions, fees etc.
- ✓ Available to both Individual and Business account holders

HOW IT WORKS

FV Bank Account holder generates a USDC deposit wallet address on Ethereum(ETH) blockchain

Once USDC is received in the wallet, FV bank will run compliance checks on the transaction

Users can see the details in their transaction history
